If the properties are acquired for the Lal-Bagh, why should they not be handed over to the Gardens Deptt now alone, So that that Deptt may watch over the property, and thus the expenses of the proposed watchmen be saved & 3448--

This is evidently not correct view 6/7

6/7/47

The properties are being acquired for forming an Extension for residential purposes near the Lal Bagh and not for the use of the Lal Bagh and hence these properties cannot be handed over to the "Gardens Deptt" until sites are formed & disposed of in the area. The Trust Board will have to arrange for watch & ward there. Hence the necessity for appointing a watch-man (in 2 sets) 10 (C)

Sir,

SUB - Appointment of two Ghurkha Watchmen for the Lalbagh Extension

I have the honour to state that the Engineer Officer attached to the Board submitted a report on 5-2-48 explaining the need for the appointment of two Ghurka watchmen to watch over the properties taken possession of from the Special Land Acquisition Officer in connection with the Lalbagh Extension Scheme There are quite a number of valuable trees on the land acquired If there are no men on guard, the trees will be cut and removed and there will be material loss to the Trust Board Further, pits will be dug and unauthorized brick kilns also started and stones quarried To prevent all these, it is essential that there should be adequate watch

2 An estimate for Rs 576/- for the entertainment of two Ghurka Watchmen for a period of 6 months at Rs-30/- plus Rs 18/- D A p m to each of them, received from the Engineer Officer was placed before the Board at its meeting held on 23-2-48 when it was resolved that the proposals contained in the Office Note for employing two Ghurka Watchmen be approved for a period of 6 months from the present at an estimated cost of Rs 576/-

3 I accordingly request that sanction of Government o the entertainment of two Ghurka Watchmen on Rs 30/- + 18 D A
